

DEPARTMENT S – INDUSTRIAL CRAFTS – OPEN CLASS
WOODWORKING – METALWORKING

SUPERINTENDENT: Jordan Harris / 509-671-2804

Department S – Adult

Department SY – Youth

WOODWORKING

1. Items must have been completed since last fair and made by individual whose name is on the exhibitor's tag. If youth, age of youth must also be noted on exhibitor's tag. Exhibitors may make only one (1) entry in any one class - except as described below. Exhibitors are NOT limited only to entries as described in each division, but instead are encouraged to enter additional exhibits in their proper division under class listed "Other." More than one entry will be permitted in "Other" class as long as each entry is a different project and entered as a subclass. For example:
Class 12 - Other (pry bar)
Class 12a - Other (toolbox)
2. All hanging items must be able to hang on a pegboard hook.
3. Woodworking entries cannot be built with purchased pre-cut pieces and ready-to-assemble kits. However, some features may be prefabricated, such as turned pegs or wheels for toys. Movable parts must be securely attached to the base.
